

Senior Sensory Panel Leader

Location: London, United Kingdom

Key Responsibilities:

- To **manage efficiently the panels** by planning and coordinating recruitment and screening of new panelists and by initiating appropriate performance feedback sessions and training programs.
- To **manage and deliver internal sensory** studies by recommending and applying appropriate methodologies to meet objectives, analysing, interpreting, reporting and presenting the results to the team.
- To **support sensory scientists with the delivery of sensory projects** and by working closely **with our descriptive panel** by preparing and leading panel sessions.
- To **manage and ensure the optimum working of sensory facilities** (booths, labs, computers/software, databases etc) and appropriate supply of any materials used.
- To **work closely with Firlon Sensory Team to ensure good coordination of projects** so that all sensory duties and responsibilities are completed in a professional and timely manner.
- To **support** the Sensory team in preparing samples and in running sensory evaluation.
- To **support development of new methodologies and protocols.**

We value:

- **Sensory background** with a minimum of a Bachelor's degree in an appropriate field with a Sensory/Consumer Science focus.
- 1-3 years' experience in sensory technique and panel management role
- **Professional English**
- Excellent **planning, organisational and presentation skills**
- Excellent **team working skills**
- **Good statistical knowledge and computer skills**

We offer:

- To be part of a global and dynamic Sensory Team
- Work in a **global and intercultural environment**
- Flexible working arrangements
- Well-being benefits
- Training programs
